(exp. 08/31/2009)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Attachment “A”
Stigler Housing Authority
Violence Against Women and Justice Department
Reauthorization Act of 2005

The Stigler Housing Authority will participate in the above act which protects tenant and family members of tenants who are victims of domestic violence, date violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them.

In general, the law provides in part that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or repeated violations of the lease by the victim or threatened victim of that violence and will not be good cause for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

1. **CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING:** Among other requirements, Sections 606 and 607 of VAWA add certification and confidentiality provisions that allow for PHAs, owners or managers responding to an incident or incidents of actual or threatened domestic violence, dating violence or stalking that may affect a tenant’s participation in the housing program to request in writing that an individual complete, sign and submit, within 14 business days of the request, a HUD approved certification form. On the form, the individual certifies that he/she is a victim of domestic violence, dating violence, or stalking, and that the incident or incidences in question is bona fide incidences of such actual or threatened abuse. On the certification form, the individual shall provide the name of the perpetrator.

In lieu of certification form, or in addition to the certification form, a tenant may provide to PHAs, managers or owners, (1) a Federal, State, tribal, territorial, or local police record or court record; (2) documentation signed and attested to by an employee agent or volunteer of a victim service provider, an attorney or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking, or the effects of abuse, in which the professional attest under penalty of perjury to the professional’s belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, or stalking has signed or attested to the documentation.

An owner or PHA is not required to demand that an individual produce official documentation or physical proof of an individual’s status as a victim of domestic violence, dating violence, sexual assault, or stalking in order to receive the protections of the VAWA. Note that, a PHA, owner or manager, at their discretion,

may provide assistance to an individual based solely upon the individual's statement or other corroborating evidence.

The PHA owner or manager should be mindful that the delivery of the certification form to the tenant in response to an incident via mail may place the victim at risk, e.g., the abuse may monitor the mail. Therefore, PHAs, owners and managers may require that the tenant come into the office to pick up the certification from and are encouraged to work with tenants to make delivery arrangements that do not place the tenant at risk.

If the individual does not provide the form HUD-5006 or the information that may be provided in lieu of the certification by the 14th business day or any extension of that date provided by the PHA, owner or manager, none of the protections afforded to the victim of domestic violence, dating violence or stalking by Sections 606 or 607 will apply. The circumstances authorized by otherwise applicable law and lease provisions, without regard to the amendments made by Sections 606 and 607.
